To Whom It May Concern:

I run a property management company, and have doing so for the past 10 years, I have used Tapia Landscaping for all my needs and I highly recommend their services. I have known Rosario Tapia for over 14 years. He is one of the most honest and hard working persons I have ever met. His work ethic and business sense run deep throughout his company and his staff is very friendly and capable. As a family business you get the best of both worlds with Tapia Landscaping in terms of friendliness and professionalism combined into one company.

I will continue to use his services and would not hesitate to personally recommend Tapia Landscaping to anybody. If you have any questions please feel free to contact me.

Respectfully,

Enrique Melcer
