RE: Recommendation Letter for Tapia Landscaping, Rosario Tapia, and Staff.

To Whom It May Concern:

Please allow this letter to serve as positive recommendation regarding Tapia Landscaping, Rosario Tapia, and the Staff of Tapia Landscaping. Tapia Landscaping has provided landscape maintenance services to both the Riverside County Transportation Department (RCTD) and the Landscaping and Lighting Maintenance District 89-1-Consolidated (L&LMD 89-1-C) for over seven (7) years under my direct supervision. Tapia Landscaping worked for several additional years under my predecessor without any negative actions or complaints to my knowledge.

Tapia Landscaping has a great track record regarding communication on all levels, response to any and all questions and concerns, and staff is knowledgeable on several facets and practices of the landscaping and irrigation industry. Tapia Landscaping has successfully completed both new landscape installations and landscape renovations on time and within budget.

Tapia Landscaping is always one of our first calls for Landscape related needs and the Riverside County Transportation Department and the L&LMD 89-1-C wish to acknowledge Tapia Landscaping's positive work ethic and recommend them for future landscape related projects in the future.
